FRIENDLY HOUSE PRESCHOOL
NW 26th Ave at Thurman St
Join the Friendly House Legacy!

For over forty years, we’ve run Friendly House’s Preschool based on the belief that children need an individualized early childhood education program, focused on each child’s social, emotional, cognitive, and physical development. We provide an environment for children’s growing social interactions, and promote cooperation and problem solving skills, as well as kindergarten readiness.

Our program includes:

- High teacher-to-child ratio (3 teachers to a class of 20 children).
- Weekly parent newsletter highlighting that week’s curriculum and activities.
- Developmental screenings for children.
- Strong partnership with the NW Library, including monthly visits from the librarian.
- Family socials and parent teacher conferences.
Program details

We embrace diversity—our tuition is based on a sliding fee scale with scholarships available. Subsidized enrollment is available for those who qualify.

Our program is for 3–5 year olds. Our two mixed-age classes provide options to meet your family’s needs. Each class has a capacity of 20 students, led by three preschool teachers.

Ladybug Class, Year-Round
